ALOHA!

Mike Peters understands Waikiki, Ala Moana, and Kakaako, and will work tirelessly to create a more beautiful and safe community. As a popularly elected member of the Waikiki Neighborhood Board for the last five years, Mike has extensive knowledge of all issues affecting our neighborhood.

As your next Representative, you can count on Mike Peters to work hard to reduce unnecessary urban noise, be tough on crime, fix our traffic mess, and be responsive to the needs of our community. Mike will fight vigorously to eliminate all taxes on food and medicine.

Concerned about the environment, Mike Peters was outraged by Waikiki's massive sewage spill and believes everything possible should be done to prevent another environmental disaster from happening. This includes greater awareness of our carrying capacity and underground infrastructure limits in both Waikiki and Kakaako.

Active in the community, Mike Peters is associated with the following organizations: Co-Founder of H.U.S.H. (Hear Urban Silence in Hawaii); Let Honolulu Vote; Read Aloud America; St. Augustine Church; Grassroot Institute.

Mike holds a Bachelor's degree in Business Administration from Hawaii Pacific University and Associate of Arts degree in Liberal Arts from Maui Community College. He is a substitute teacher and hotel & visitor industry professional who enjoys surfing and cycling during his free time. Mike also worked for two years at the Hawaii State Capitol as a full-time legislative-aide and analyst.

Mike is caring and will produce results. Please VOTE for Mike Peters and contact him anytime with your ideas and concerns.
